Our Story

Quality is the cornerstone of our work.
We source the finest materials, employ skilled craftsmen, and maintain stringent quality control standards to guarantee that every project we undertake is a masterpiece.

We thrive on innovation and creativity,
constantly pushing the boundaries of design and construction. Our team is dedicated to bringing fresh ideas and unique solutions to every project.

Your satisfaction is our ultimate goal.
We work closely with you, from the initial concept to the final installation, to ensure that your expectations are not only met but exceeded.

SM SENANAYAKE & SONS

Welcome to SM SENANAYAKE & SONS where the timeless beauty of timber meets unparalleled craftsmanship. Established 30 years ago with a dedication to delivering top-tier timber works, customized furniture, and exquisite interior construction services, we have earned a distinguished reputation in the furniture industry.

We specialize in harnessing the natural beauty and strength of timber to craft exceptional pieces. From hand-selected wood species to precise joinery techniques, our artisans ensure each timber work is a testament to quality and durability.

With our two factories in Bangaragama and Kesbawa we are excelled in creating wooden master pieces with the perfect balance of both traditional craftsmanship and modern high tech machineries. Our workforce is always dedicated to give our clients the best products with their updated knowledge and skills.

- + Use of Computer numerical control (CNC) in manufacturing allows to automate the control, movement and precision of machine tools resulting in high quality finish to our products

- + Every stage of the production line is carefully overlooked by skilled technicians and different plants such as the "wood seasoning plant" ensures the final product is in highest quality
